

**MEMBER MICRO NEWS UPDATE: JAAG's community website has posted some new items:**

- **Future of Junction Oval – what will it be? Are you aware of a proposal by Cricket Victoria for Junction Oval ?**
- **State Government to change residential and commercial zones. Port Phillip Council to apply these new zones across all existing areas.**

**2014 is shaping up to be a busy year for JAAG with Council's community consultation on the new zones and St. Kilda Road South Strategic Planning Study. Our motto of **STRENGTH IN NUMBERS** will no doubt be required to make our voice heard with respect to these new zones and strategic planning for our area. We currently have 250 members and are always looking to add to this, so if your neighbours are not members of JAAG please let them know about our community group and welcome them to join us by completing the **NEW** easy online application at <http://jaagstkilda.com/online-application/>**

This time of year is a wonderful time to reflect on the year and to take the time to give thanks to those around us, whether it be family, friends, colleagues, workmates or for us our Members who support us. JAAG Committee would like to thank you for your support during the past year and take this opportunity to wish you and your families a very happy, safe and relaxed Festive Season.

We hope that over the summer you take the opportunity to relax and read some of the interesting and informative history of St. Kilda Hill written by local resident and JAAG Committee Member, Tony Browne. We welcome you to add your contribution to this history and look forward to hearing from you through the JAAG website <http://jaagstkilda.com/contact-us/>

We look forward to your continued support with the new challenges 2014 will no doubt bring.

**JAAG Steering Committee**
