

MEMBER MICRO NEWS UPDATE: 2 MAY 2014

JAAG's community website has posted a new item:

**ALBERT PARK RESERVE 20 YEAR MASTER PLAN -
Be part of shaping the park's future**

Parks Victoria is currently undergoing a 20 year vision for Albert Park Reserve to guide it through the next stage of its history and the community is now being invited to have their input.

A project website www.albertparkmasterplan.com.au has been established by Parks Victoria to enable people to have convenient access to information and opportunities to provide input.

You may also like to **attend the drop-in consultation sessions** Parks Victoria have organized at Albert Park as follows:

Saturday 03 May

9am - noon Queens Road end, on the lake edge, Ross Gregory Drive

Saturday 10 May

9am - noon Coot Picnic Area (opposite the MSAC entrance)

If you want to see any improvements/changes to the park generally (and more particularly the south east section of the park closest to St Kilda Junction precinct, which includes Junction Oval), we encourage you to **participate in Parks Victoria's drop in consultation sessions either in the park or the survey currently active on [http://www.albertparkmasterplan.com.au/](http://www.albertparkmasterplan.com.au) as this will help Parks Victoria to develop an understanding of what people value about the park.**
