JACKSON ARCHITECTURAL DESIGN CONCEPTS FOR INDUSTRIAL PTV SUBSTATION ON ST. KILDA JUNCTION MEDIAN STRIP

In September, 2017 Public Transport Victoria (PTV) finalised the engagement of the firm of Jackson Architecture to provide alternative design concepts for the St Kilda Junction substation from a list of prominent Architectural firms who tendered for this project. Jackson Architecture has now completed 3 alternative design concepts which PTV are discussing with Council and Community.

The Community information session to present the designs and discuss them is

Date: Wednesday 22 November, 2017

Time: 6pm – 8pm **Venue:** St Kilda Library Community Room – St Kilda 150 Carlisle St, St Kilda

What can you do?

We encourage all JAAG members and supporters to attend the 'Community Information Session' on the 22nd November and let PTV know your opinion of the alternative concept designs and any concerns you may have regarding this substation.

Attached is the detailed PTV flyer.

Together we can make a difference to our precinct.
