

MICRO NEWS UPDATE – 13 April, 2017

**INTERIM PLANNING CONTROLS  
FOR ST KILDA ROAD SOUTH &  
WELLINGTON STREET, ST KILDA  
APPROVED BY THE MINISTER FOR  
PLANNING**

The Minister for Planning has introduced interim height and overshadowing controls to St Kilda Road South and Wellington Street in the form of Amendment C145. Amendment C145 introduces interim mandatory built form controls only while a separate amendment process is being undertaken in relation to permanent controls (Amendment C122).

The interim controls protect the risk of inappropriate intensive forms of development which may compromise the orderly planning of the precinct. Go to the JAAG website ( [www.jaagstkilda.com](http://www.jaagstkilda.com) ) for more details.

To JAAG members who have campaigned tirelessly for the past 6 years to have planning controls in place for St Kilda Road South & Wellington Street THANK YOU. We are not quite there yet with permanent controls however the interim controls are a great assistance.

***Together we are making a difference to our precinct.***
