

MICRO NEWS UPDATE – 26 July 2019

**8 Punt Road & 7-9 Wellington Street-26  
Storey Residential Tower (cnr Punt Rd and  
Wellington St)**

The original permit for this development was granted by VCAT in August, 2016 after opposition by residents and Council. There has been 2 further amendments since approval. The developer has now applied to VCAT yet again to amend the existing permit, to the detriment of residents, by replacing some on-site car parking with apartments, converting 3 and 4 bedroom apartments to 1 or 2 bedrooms and suggesting removal of previously negotiated provisions relating to the facade finishes

If you were an objector to the original application you should have received the developer's notice of application (reference P1270/2019) and may want to lodge an objection to the new proposals.
