

MICRO NEWS UPDATE - 9 APRIL, 2022

POLICE SURVEY

Concerned about safety in our precinct or about levels of local policing? Victoria Police is looking for your feedback via a survey that will inform their Neighbourhood Policing Framework. Respondents will remain anonymous. Victoria Police will use your responses to tailor how they work with the community in the future. Your input will inform local action plans and influence organisational priorities.

This is a great opportunity to provide feedback that may assist our community in action against crime and crime prevention in our precinct in the future.

Consultation is open until 30 April 2022 - so get in quick by completing the survey via the following link

A summary of all responses will be provided on Engage Victoria. The current timeline for reporting back is June 2022.
